- e Editorial
- ltr Letter

This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index has one or more entries for each item published. In addition to the subject headings, categorical headings include ABSTRACTS, CONFERENCE ANNOUNCEMENTS, EDITORIALS, EDUCATION NOTES, LETTERS TO THE EDITOR, AND PUBLICATION REVIEWS.

SUBJECT INDEX

ABSTRACTS

adding smoking cessation to treatment regimens at alcoholism centers.....	553
adding stress management to an existing cardiac rehabilitation program.....	97
application of the PRECEDE model to reduce adolescent pregnancy.....	551
a campaign to vaccinate cats for rabies.....	555
cessation of tobacco use in a hospital community.....	99
community pharmacist's role in cholesterol screening. Department of Defense (key organization in injury control).....	670
design for a self-help group to aid elderly widowers.....	101
educational program to prevent HIV transmission among teens.....	551
effect of substance abuse education on knowledge, attitudes, and behavior.....	553
evaluating three worksite smoking interventions.....	98
first aid for choking victims: a training program for restaurant employees.....	97
food cooperative for independent elderly persons in Philadelphia.....	555

health promotion in school workplaces.....	101
Health Wise: a disease prevention program for the aged.....	556
a home delivery meal program for cancer patients in need.....	555
hypertension screening at the workplace: a synergistic model.....	552
illustrations as memory aids for illiterate patients.....	100
a marketing strategy for hotels: promoting wellness.....	552
the Navajo pediatric home health care project.....	558
nutrition and exercise program for urban Indians.....	558
pilot project to increase seniors' visits to dentists.....	556
a plan to meet dental needs of hospice patients.....	100
policymakers and AIDS in the schools: a computer-aided health protection program.....	96
a positive motivational tool to promote smoking cessation.....	99
pre-fetal care: intervention to prevent congenital abnormalities due to alcohol.....	100
preventing nursing bottle caries of Hispanic children.....	557
providing podiatric care for the homeless.....	553
teaching firefighters to recognize hazards of toxic combustion products.....	98
toothbrushing program for preschool children in a child care center.....	99
trauma and pregnancy: educating providers of emergency care.....	97
using computers to educate college students about AIDS.....	96
using education and hazard assessment to reduce falls of the elderly at home.....	102
using the AA model for AIDS prevention.....	96
volunteers for school bus safety to reduce fatalities and injuries.....	554
Wyoming Health Corps: elders helping elders to control hypertension.....	557

ACCESS TO HEALTH CARE

financing medical care for the underserved in an era of Federal retrenchment: the health service district.....	a 686
Johnson Foundation awards 8 uninsured care grants.....	br 344

ADOLESCENT PREGNANCY

application of the PRECEDE model to reduce adolescent pregnancy.....	abs 551
an approach to the problem of teenage pregnancy.....	a 377
a plan to prevent adolescent pregnancy and reduce infant mortality.....	a 80
users of reproductive health clinic services in a school pregnancy prevention program.....	a 307

ADOLESCENTS

educational program to prevent HIV transmission among teens.....	abs 551
HHS, Labor award teen grants to six communities.....	br 108
U.S. and Soviet Union sign youth fitness exchange pact.....	br 340
users of reproductive health clinic services in a school pregnancy prevention program.....	a 307

AGED

Baltimore County to develop system to evaluate results of programs for elderly.....	br 242
Consumers League issues new guide on care communities.....	br 243
design for a self-help group to aid elderly widowers.....	abs 101
elderly care: similarities and solutions in Denmark and the United States.....	a 494

Consumers League issues new guide on care communities.....	br 243
design for a self-help group to aid elderly widowers..	abs 101
elderly care: similarities and solutions in Denmark and the United States.....	a 494

food cooperative for independent elderly persons in Philadelphia	abs	555
foundation funds supportive services for the elderly... Health Wise: a disease prevention program for the aged	br	341
Hopkins to examine mental illness in nursing homes . Longitudinal Study on Aging	abs	556
minimizing drug misuse among elders: a proposal ... new glossary defines gerontological terms	br	108
new report profiles health of America's aged	a	86
NHIS Supplement on Aging, 1984	br	112
NIA issues new directory of elderly organizations.... 1987 Public Health Conference to focus on data on aging	br	564
pilot project to increase seniors' visits to dentists ... Supplement on Aging, 1984	br	104
U.S.-Israel symposium to exchange information on health care for the aging	abs	556
use of antiepileptic drugs in the elderly population... using education and hazard assessment to reduce falls of the elderly at home	br	563
Wyoming Health Corps: elders helping elders to control hypertension	br	454
	a	335
	abs	102
	abs	557

AIDS

acquired immunodeficiency syndrome and black Americans: special psychosocial issues	a	224
AIDS education program uses public employee pay envelopes in New York	br	456
AIDS in minority populations in the United States... America responds to AIDS campaign	a	677
cover 3, November-December		
anonymity in AIDS testing assured by computerized system of random numbers	br	568
characteristics of drug abusers that discriminate needle-sharers	a	395
educational program to prevent HIV transmission among teens	abs	551
11 cities get \$17.2 million for AIDS services programs estimates of the direct and indirect costs of acquired immunodeficiency syndrome in the United States, 1985, 1986, and 1991	br	106
the HIV antibody test: why gay and bisexual men want or do not want to know their results	a	5
knowledge and attitudes of AIDS health care providers before and after education programs	a	468
new AIDS publications available from PHS	a	248
new objectives for FDA focus on AIDS drug reviews newspapers honored for AIDS coverage	br	707
NIMH awards five contracts to train AIDS care providers	br	567
policy makers and AIDS in the schools: a computer-aided health protection program	br	240
public health measures for prevention and control of AIDS	br	343
reliability of self-reported sexual behavior risk factors for HIV infection in homosexual men	abs	96
review of death certificates to assess completeness of AIDS case reporting	a	463
Surgeon General's report on acquired immune deficiency syndrome	a	692
the Third International AIDS Conference—reflections	a	386
\$3.7 million in AIDS grants go for research, training. \$28.8 million in AIDS grants go to 60 cities and States	e	1
using computers to educate college students about AIDS	a	461
using the AA model for AIDS prevention	br	240
the voluntary acceptance of HIV-antibody screening by intravenous drug users	br	105
	abs	96
	abs	96
	a	391

ALCOHOL

ADAMHA goes into high gear in the prevention, research, and treatment of drug and alcohol abuse adding smc.ing cessation to treatment regimens at alcoholism centers	e	122
	abs	553

alcohol as a risk factor for injuries or death due to fires and burns: review of the literature	a	475
Be smart! Don't start! Just say no!		
cover 3, July-August		
clinical evidence mounts for detrimental effects of use of alcohol	br	455
effect of substance abuse education on knowledge, attitudes, and behavior	abs	553
IHS issues new alcoholism, substance abuse publication	br	242
Mothers Against Drunk Driving (key organization in injury control)	a	666
perceptions of risks of smoking and heavy drinking during pregnancy: 1985 NHIS findings	a	73
pre-fetal care: intervention to prevent congenital abnormalities due to alcohol	abs	100
States implement health campaign against alcohol use by young persons	br	455

AMBULATORY CARE

National Ambulatory Medical Care Survey....br 238, use of hospital-based ambulatory care in New York City's Health Manpower Shortage Areas	br	450
	a	26

BLACKS

acquired immunodeficiency syndrome and black Americans: special psychosocial issues	a	224
age- and sex-related blood cell values in healthy black Americans	a	232
AIDS in minority populations in the United States... differences in neonatal and postneonatal mortality by race, birth weight, and gestational age	a	677
	a	182

BLOOD

age- and sex-related blood cell values in healthy black Americans	a	232
Heart Institute advisory council reports progress	br	570

BREAST CANCER

breast cancer detection awareness program offers low-cost mammograms	br	456
--	----	-----

BURNS

alcohol as a risk factor for injuries or death due to fires and burns: review of the literature	a	475
---	---	-----

CALLS FOR PAPERS

APHA calls for dental abstracts	br	112
health education conference calls for abstracts	br	570

CANCER

cancer risk factors to be NHIS 1987 topic	br	103
geographic distribution of cancer death rates and trends depicted	br	566
a home delivery meal program for cancer patients in need	abs	555
new NCI monograph outlines cancer control objectives	br	244
terminal care preferences: hospice placement and severity of disease	a	444

CARDIOVASCULAR DISEASE

adding stress management to an existing cardiac rehabilitation program	abs	97
Heart Institute advisory council reports progress	br	570

CHILDREN

- abdominal thrusts: overzealous application may be hazardous to small children ltr 562
- birth weight and subsequent growth among Navajo children a 500
- ethnic differences in growth and nutritional status: a study of poor schoolchildren in southern New Jersey a 278
- the family team approach to fitness: a proposal a 546
- guide provides access to maternal and child health national survey data br 457
- Illinois moves to counter student mumps outbreak br 570
- "immunization mobile" brings protection to children in southeastern Idaho a 543
- more physical education programs in schools called for by AAP br 708
- the Navajo pediatric home health care project abs 558
- new booklet offers criteria for spotting at-risk children br 109
- preventing nursing bottle caries of Hispanic children abs 557
- States implement health campaign against alcohol use by young persons br 455
- Surgeon General's report calls for improved care for ill and disabled children br 570
- a survey of pediatricians' attitudes and practices about maternal employment a 302
- teaching treatment of mild, acute diarrhea and secondary dehydration to homeless parents a 539
- toothbrushing program for preschool children in a child care center abs 99
- U.S. and Soviet Union sign youth fitness exchange pact br 340
- volunteers for school bus safety to reduce fatalities and injuries abs 554

CHOKING

- abdominal thrusts: overzealous application may be hazardous to small children ltr 562
- choking victims: back blows and chest thrusts are hazardous, even lethal ltr 561
- Doctors Montgomery and Greensher reply ltr 115
- first aid for choking victims: a training program for restaurant employees abs 97
- more on the choking controversy ltr 115

CHOLESTEROL SCREENING

- community pharmacist's role in cholesterol screening abs 554
- fingerstick technique preferred in blood sampling for cholesterol br 453

CHRONIC DISEASES

- the prevention and control of chronic diseases: reducing unnecessary deaths and disability—a conference report a 17
- Surgeon General's report calls for improved care for ill and disabled children br 570

COLLEGE STUDENTS

- Illinois moves to counter student mumps outbreak br 570
- using computers to educate college students about AIDS abs 96

COMMUNITY HEALTH

- community minority health coalitions get PHS grants br 106
- use of a compliance index for community fluoridation a 415

COMPUTER APPLICATIONS

- anonymity in AIDS testing assured by computerized system of random numbers br 568

- polymakers and AIDS in the schools: a computer-aided health protection program abs 96
- using computers to educate college students about AIDS abs 96

CONFERENCE ANNOUNCEMENTS

- health education conference slated for Houston in 1988 344
- international conference on exercise, fitness, and health scheduled 570
- international health council conference set for June 111
- NIH alumni reunion symposia wind up centennial year 343
- 1987 Public Health Conference to focus on data on aging 104
- U.S.-Israel symposium to exchange information on health care for the aging 454
- women's health conference to focus on osteoporosis prevention and treatment 456

CONFERENCE REPORTS

- few infants need electronic home monitoring: NIH panel br 345
- periodontal effects and dental caries associated with smokeless tobacco use a 30
- the prevention and control of chronic diseases: reducing unnecessary deaths and disability a 17
- the Third International AIDS Conference—reflections a 461

CONSUMERS

- Consumers League issues new guide on care communities br 243

DATA BASES AND DATA FILES

- data tapes now available from the full Hispanic HANES br 451
- Longitudinal Study on Aging br 563
- National Ambulatory Medical Care Survey br 238
- NHIS 1984 Supplement on Aging br 104
- NHIS 1985 Health Promotion and Disease Prevention Study br 103
- 1985 National Hospital Discharge Survey br 239
- 1985 National Nursing Home Survey br 238
- NTIS offers resource file in microcomputer disk form br 346
- overview of the national infant mortality surveillance (NIMS) project—design, methods, results a 126
- self-help guide for searches of MEDLINE database available br 243

DENTAL CARE

- APHA calls for dental abstracts br 112
- a cost and production analysis of hospital dental care programs a 512
- FDA approves new clotting aid for hemophilic dental work br 346
- pilot project to increase seniors' visits to dentists abs 556
- a plan to meet dental needs of hospice patients abs 100

DENTAL HEALTH

- Americans are keeping their teeth longer and healthier br 453
- 1985 NHIS findings on public knowledge and attitudes about oral diseases and preventive measures a 53
- periodontal effects and dental caries associated with smokeless tobacco use a 30
- preventing nursing bottle caries of Hispanic children abs 557
- toothbrushing program for preschool children in a child care center abs 99
- use of a compliance index for community fluoridation a 415

DIARRHEA AND DEHYDRATION

- teaching treatment of mild, acute diarrhea and secondary dehydration to homeless parents..... a 539

DIABETES

- authors' response on Zuni diabetes project..... ltr 125
the control of hypertension in persons with diabetes:
a public health approach..... a 522
HRSA Diabetes Coordinating Committee links programs and other PHS agencies..... br 569
NIDDK seeks diabetics to study treatment regimens... br 568
physicians' and patients' views of problems of compliance with diabetes regimens..... a 21
a second opinion on Zuni diabetes..... ltr 124

DIGESTIVE DISEASES

- survey of public knowledge about digestive health and diseases: implications for health education.... a 270

DISABLED

- new booklet offers criteria for spotting at-risk children..... br 109
Surgeon General's report calls for improved care for ill and disabled children..... br 570

DRUG ABUSE

- ADAMHA goes into high gear in the prevention, research, and treatment of drug and alcohol abuse..... e 122
ADAMHA issues drug-testing guidelines for employees..... br 240
Be smart! Don't start! Just say no!..... cover 3, July-August
characteristics of drug abusers that discriminate needle-sharers..... a 395
Cocaine. The big lie. The hazards of drug abuse (poster)..... 119
effect of substance abuse education on knowledge, attitudes, and behavior..... abs 553
IHS issues new alcoholism, substance abuse publication..... br 242
the impact of the addition of naloxone on the use and abuse of pentazocine..... a 426
NIDA issues a new guide on drugs in the workplace... br 107
the voluntary acceptance of HIV-antibody screening by intravenous drug users..... a 391

DRUGS

- FDA approves new clotting aid for hemophiliac dental work..... br 346
FDA approves new orphan drug clofazimine for leprosy..... br 243
illustrations as memory aids for illiterate patients... abs 100
minimizing drug misuse among elders: a proposal... a 86
new objectives for FDA focus on AIDS drug reviews..... br 567
use of antiepileptic drugs in the elderly population... a 335

ECONOMICS, HEALTH

- a cost and production analysis of hospital dental care programs..... a 512
estimates of the direct and indirect costs of acquired immunodeficiency syndrome in the United States, 1985, 1986, and 1991..... a 5
financing medical care for the underserved in an era of Federal retrenchment: the health service district..... a 686
"Health, United States, 1986 and Prevention Profile"..... cover 3, March-April
setting an agenda for the Council on Graduate Medical Education..... e 123

EDITORIALS

- ADAMHA goes into high gear in the prevention, research, and treatment of drug and alcohol abuse..... 122
adult immunization should be routine, too..... 245
advances in Indian health care..... 349
the changing challenges of women's health for society and the health care system..... 349
injury prevention and control comes of age..... 574
malpractice reform: the developing consensus..... 573
National Center for Nursing Research is ready for action at NIH..... 3
one fine solution to the injury problem..... 576
seeking answers to the slowing progress in lowering infant mortality..... 121
setting an agenda for the Council on Graduate Medical Education..... 123
Surgeon General's report on acquired immune deficiency syndrome..... 1
the Third International AIDS Conference—reflections..... 461

EDUCATION NOTES

- clinical infant training programs..... 114
NIOSH-sponsored courses in occupational safety and health..... 113, 347, 458, 571, 708

EMERGENCY HEALTH SERVICES

- emergency medical services, trauma care systems, and injury prevention..... a 629
procedures outlined to control disease epidemics in the field..... br 345
trauma and pregnancy: educating providers of emergency care..... abs 97

EMPLOYMENT

- HHS, Labor award teen grants to six communities... br 108
job achievements of Indian and non-Indian graduates in public health: how do they compare?..... a 372
a survey of pediatricians' attitudes and practices about maternal employment..... a 302

ENVIRONMENTAL HEALTH

- businesses and employees favor Maine regulation of workplace smoking..... br 707
establishment of an exposure level to tetrachloroethylene in ambient air in Vermont..... a 681
the Massachusetts program for reducing the risk of formaldehyde exposure..... a 290
maternal exposure to neighborhood carbon monoxide and risk of low infant birth weight..... a 410

EPIDEMICS

- procedures outlined to control disease epidemics in the field..... br 345

FALLS

- using education and hazard assessment to reduce falls of the elderly at home..... abs 102

FAMILY PLANNING

- marketing family planning services in New Orleans .. a 420

FINLAND

- a television format for national health promotion: Finland's "Keys to Health"..... a 263

FIRES

- alcohol as a risk factor for injuries or death due to fires and burns: review of the literature a 475
- board and care home fire emergency procedures described in new manual br 457
- teaching firefighters to recognize hazards of toxic combustion products abs 98

FIRST AID

- first aid for choking victims: a training program for restaurant employees abs 97

FLUORIDATION, WATER

- use of a compliance index for community fluoridation a 415

FOOD AND DRUG ADMINISTRATION

- FDA approves new clotting aid for hemophiliac dental work br 346
- FDA approves new orphan drug clofazimine for leprosy br 243
- FDA earmarks \$3.5 million for orphan drug research importance of WHO and the World Health Assembly to U.S. public health and medicine: a Food and Drug Administration perspective a 260
- new objectives for FDA focus on AIDS drug reviews br 567

FOOD AND NUTRITION

- effects of a health promotion advertising campaign on sales of ready-to-eat cereals a 398
- ethnic differences in growth and nutritional status: a study of poor schoolchildren in southern New Jersey a 278
- food cooperative for independent elderly persons in Philadelphia abs 555
- a home delivery meal program for cancer patients in need abs 555
- 1985 NHIS findings: nutrition knowledge and baseline data for the weight-loss objectives a 61
- nutrition and exercise program for urban Indians abs 558
- 32 million overweight, joint committee reports br 111

GEOGRAPHIC REGIONS

- geographic distribution of cancer death rates and trends depicted br 566
- regional differences in birth weight-specific infant mortality, United States, 1980 a 138
- variation in State-specific infant mortality risks a 146

GRANTS AND AWARDS

- Baltimore County to develop system to evaluate results of programs for elderly br 242
- CDC awards \$1.4 million for promotion, prevention at 3 schools of public health br 107
- CDC grants to create injury prevention research centers br 340
- community minority health coalitions get PHS grants br 106
- 11 cities get \$17.2 million for AIDS services programs br 106
- FDA earmarks \$3.5 million for orphan drug research foundation funds supportive services for the elderly br 341
- HHS, Labor award teen grants to six communities br 108
- Johnson Foundation awards 8 uninsured care grants br 344
- maternal and child health projects inventory issued br 243
- NIMH awards five contracts to train AIDS care providers br 343
- NIMH to support centers for research on care of severely mentally ill br 341
- nine cities to get funding for chronically mentally ill br 109
- the Preventive Health and Health Services Block Grant: the Massachusetts experience a 284

- \$3.7 million in AIDS grants go for research, training br 240
- \$28.8 million in AIDS grants go to 60 cities and States br 105

HEALTH DEPARTMENTS

- establishment of an exposure level to tetrachloroethylene in ambient air in Vermont a 681
- financing medical care for the underserved in an era of Federal retrenchment: the health service district the Massachusetts program for reducing the risk of formaldehyde exposure a 290
- the Preventive Health and Health Services Block Grant: the Massachusetts experience a 284

HEALTH EDUCATION

- AIDS education program uses public employee pay envelopes in New York br 456
- educational program to prevent HIV transmission among teens abs 551
- effect of substance abuse education on knowledge, attitudes, and behavior abs 553
- the family team approach to fitness: a proposal a 546
- first aid for choking victims: a training program for restaurant employees abs 97
- health education conference calls for abstracts br 570
- health education conference slated for Houston in 1988 br 344
- international health council conference set for June br 111
- the Navajo pediatric home health care project abs 558
- policymakers and AIDS in the schools: a computer-aided health protection program abs 96
- States implement health campaign against alcohol use by young persons br 455
- survey of public knowledge about digestive health and diseases: implications for health education a 270
- teaching firefighters to recognize hazards of toxic combustion products abs 98
- teaching treatment of mild, acute diarrhea and secondary dehydration to homeless parents a 539
- using computers to educate college students about AIDS abs 96

HEALTH MAINTENANCE ORGANIZATIONS

- hypertension screening at the workplace: a synergistic model abs 552

HEALTH MANPOWER

- effects of community characteristics on young physicians' decisions regarding rural practice a 317
- "Health United States, 1986 and Prevention Profile" cover 3, March-April
- NHSC physician placement process phasing down br 342
- NHSC physician placement will total 1,521 for 1987 br 342
- resettled Southeast Asian refugees training as nurses to help bridge care gap br 343
- use of hospital-based ambulatory care in New York City's Health Manpower Shortage Areas a 26

HEALTH PLANNING

- Baltimore County to develop system to evaluate results of programs for elderly br 242
- using linked birth and infant death files for program planning and evaluation: NIMS workshop lessons a 211

HEALTH PROFESSIONS EDUCATION AND TRAINING

- effect of substance abuse education on knowledge, attitudes, and behavior (of pharmacy students) abs 553
- health services research postdoctoral fellowships offered by NCHSR br 570

knowledge and attitudes of AIDS health care providers before and after education programs.....	a	248
NIMH awards five contracts to train AIDS care providers	br	343
a plan to meet dental needs of hospice patients.....	abs	100
program seeks to increase enrollment of minorities in medical schools.....	br	708
resettled Southeast Asian refugees training as nurses to help bridge care gap.....	br	343
setting an agenda for the Council on Graduate Medical Education.....	e	123
\$3.7 million in AIDS grants go for research, training, tough issues face the Council on Graduate Medical Education	br	240
trauma and pregnancy: educating providers of emergency care	abs	97

HEALTH PROMOTION

CDC awards \$1.4 million for promotion, prevention at 3 schools of public health	br	107
effects of a health promotion advertising campaign on sales of ready-to-eat cereals	a	398
employers see worksite benefits in health promotion and disease prevention	br	457
health promotion in school workplaces	abs	101
a marketing strategy for hotels: promoting wellness..	abs	552
1985 Health Promotion and Disease Prevention study of NHIS.....	br	103
a television format for national health promotion: Finland's "Keys to Health".....	a	263
Wyoming Health Corps: elders helping elders to control hypertension	abs	557

HEALTH SERVICES UTILIZATION

compliance by Samoans in Hawaii with service norms in pediatric primary care	a	508
"Health, United States, 1986 and Prevention Profile"	cover 3, March-April	
new findings on health care utilization.....	br	450
use of hospital-based ambulatory care in New York City's Health Manpower Shortage Areas	a	26
users of reproductive health clinic services in a school pregnancy prevention program	a	307

HEALTH STATUS

"Health, United States, 1986 and Prevention Profile"	cover 3, March-April	
--	----------------------	--

HEALTH TECHNOLOGY

health technology recommendations assist coverage decisions	br	571
---	----	-----

HEMOPHILIACS

FDA approves new clotting aid for hemophiliac dental work.....	br	346
--	----	-----

HISPANICS

AIDS in minority populations in the United States... data tapes now available from the full Hispanic HANES	br	451
food cooperative for independent elderly persons in Philadelphia	abs	555
preventing nursing bottle caries of Hispanic children	abs	557

HOMELESS

providing podiatric care for the homeless	abs	553

STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION

Required by 39 U.S.C. 3685

Date of Filing—October 1, 1987

Title of publication—Public Health Reports

Frequency of issue—Bimonthly

Annual subscription rate—\$9 U.S.

Location of known office of publication—Rm. 13C-26, 5600 Fishers Lane, Rockville, MD 20857

Publisher—Office of the Assistant Secretary for Health, U.S. Public Health Service, Department of Health and Human Services, Rm. 13C-26, 5600 Fishers Lane, Rockville, MD 20857

Editor—Marian Priest Tebben, Rm. 13C-26, 5600 Fishers Lane, Rockville, MD 20857

Managing Editor—William N. LeVee, Rm. 13C-26, 5600 Fishers Lane, Rockville, MD 20857

Owner—Office of the Assistant Secretary for Health, U.S. Public Health Service, Department of Health and Human Services, Rm. 13C-26, 5600 Fishers Lane, Rockville, MD 20857

Known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities: none

Extent and nature of circulation:

A. Total number of copies printed (net press run)	7,270	7,210
B. Paid circulation		
1. Sales through dealers and carriers, street vendors, and counter sales	0	0
2. Mail subscriptions (paid and/or requested)	3,989	3,959
C. Total paid and/or requested circulation (sum of B1 and B2)	3,989	3,959
D. Free distribution by mail, carrier, or other means, samples, complimentary, and other free copies	2,906	2,897
E. Total distribution (sum of C and D)	6,895	6,856
F. Copies not distributed		
1. Office use, left over, unaccounted, spoiled after printing	375	354
2. Returns from news agents	0	0
G. Total (sum of E, F1, and F2—should equal net press run shown in A)	7,270	7,210

I certify that the statements made by me above are correct and complete.

Marian Priest Tebben
 Executive Editor
